

REVISED SANDY RIDGE PROJECT COMMUNITY INFORMATION SESSIONS

22-24 JUNE 2021

The Sandy Ridge Facility has been operational since late 2020.
Tellus to host community information sessions in the Goldfields for the revised
Sandy Ridge Project.

Tellus Holdings Ltd (“Tellus”) will host three public information sessions in the Northern Goldfields on 22-24 June 2021 for the revised Sandy Ridge Project.

The events will inform the public about the Sandy Ridge Facility, which is now operational, and Tellus’ plans for the revised Sandy Ridge Project.

People from Tellus will be available to answer questions and provide information about the Sandy Ridge Facility, the revised Sandy Ridge Project and the government assessment process. The sessions will outline the key environmental factors associated with the project and how the community can provide feedback.

The community information sessions will be held at the following venues and times:

SOUTHERN CROSS

Tuesday, 22 June 2021

8.30am to 4pm

Southern Cross

Community Centre

Antares Street, Southern Cross

COOLGARDIE

Wednesday, 23 June 2021

8.30am to 4pm

Community Recreation Centre

69 Sylvester Street, Coolgardie

KALGOORLIE

Thursday, 24 June 2021

8.30am to 4pm

CY O’Connor Hall

7 Connolly St, South Kalgoorlie

ABOUT TELLUS HOLDINGS:

Tellus is an environmental services company with the objective of cleaning up hazardous waste in Australia by establishing a network of geological repositories. Our Sandy Ridge Facility, a near-surface geological repository located 240 km by road from Kalgoorlie in Western Australia, is approved to accept hazardous waste and low level radioactive waste from all jurisdictions of Australia including our Exclusive Economic Zone. It has been operational since late 2020.
